**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use a competitive provider (Sonic) for better customer service primarily, excellent privacy policy, and good pricing. I use this service over copper (DSL) for broadband internet and phone service too. I oppose this petition and would be adversely affected. I have attempted to switch to fiber, which would be carried by the local provider (AT&T) but AT&T's customer service (maybe intentionally?) has prevented me from doing so.
